S I R:

In accordance with the provisions of 37 CFR 1.56, Applicants respectfully request that a citation and examination of the following documents be made during the course of examination of the above-referenced application for United States Letters Patent.

See Form PTO-1449 for list of
prior art cited by applicants.

EXPLANATION OF RELEVANCE

Reference AE is the U.S. equivalent of previously provided Reference AL.

Reference AV is cited because it was referenced in Applicants' original specification. Previously cited Reference AR was incorrectly cited by Applicants, since it was the wrong Das Druckerbuch reference. The correct Das Druckerbuch reference is attached herewith as Reference AV and also includes an English translation of that reference attached to Reference AV.

Pursuant to 37 C.F.R. §1.97, since this Supplemental Information Disclosure Statement is being cited after an Office Action but before a final Office Action, the fee set forth in Section 1.17(p) in the amount of \$180.00 being paid electronically. Also, the Examiner is authorized to charge Applicants' Deposit Account 501519 the appropriate amount if the paid amount is not correct.

Reference AE is provided in response to the Examiner's indication in the previous Office Action that the reference would not be considered unless an English language equivalent was provided.

Copies of the above-cited references are enclosed for the Examiner's review.

Respectfully submitted,
